

Academic Leadership Summer Camps for Outstanding 4th-8th graders

Outstanding students from across Texas meet in Dallas/Fort Worth, Austin/San Antonio, or Houston/Galveston for a week of fun, learning, leadership development, and visits to unique and historically significant Texas destinations. Each day students explore notable Texas sites, learn about unique careers from professionals at sites visited, and develop their leadership abilities during leadership groups with their facilitators. All adult facilitators, one for every ten students, are Texas teachers. In addition to improving their leadership abilities, participants gain self-confidence and independence and develop new friendships with other high-achieving students from across the state.
